The medical staff or any third party health care provided in its sole discretion has permission to disseminate pertinent information to the camp or its staff. If medication is to be administered at camp, the Medical Release Form must be completed. I give permission for my child to leave camp grounds for field and athletic trips. I authorize my child to take part in any and all camp activities and for the use of my child's image in pictures or videos, to be featured in advertisements or on the Camp W website.

I understand that part of the camping experience involves activities and group interactions that may be new to my child, and that they come with uncertainties beyond what my child may be used to dealing with at home. Such risks include uneven terrain, standing and moving water, forested and other areas that may result in wildlife encounters including mammals, reptiles and insects that could result in infections and various insect-transmitted diseases. I am also aware that my child may participate in off-campus activities such as inter-camp athletics, swimming, bowling and miniature golf that involve additional risks. In addition, there are certain unavoidable risks associated with various games and play activities such as collisions, wayward objects such as balls and other equipment and other risks. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with these rules and will obey them.
