## Dear Parent

One size fits all may be a great idea for socks, but when it comes to summer camp, it doesn't quite work.

Camp W's supportive, nurturing atmosphere encourages your child to grow socially and emotionally. We see your child as you do, a receptive eager individual with unique talents, skills and interests. Our smaller groups, team building activities and many group-based projects initiate friendships among campers.

## Best of all, Camp W is fun!!!
