## NEW CAMP W FLAG AND FLAGPOLE

The Summer Breeze will soon be upon us and flying over our beautiful camp grounds will be our New Camp W Flag. Displaying our Camp Colors and our logo, the flag will be a place for the camp to gather around and bring us together as a family.

## NEW TENTS FOR SECURITY & WATER STATIONS

***Imagine... Driving down the road and this catches your eye. Our New Security Tent!!***

We are pleased to unveil our beautiful new look for the summer of 2018! Our Security Administrator, Bruce will be sitting in style while keeping everyone safe at Camp W. That's not all...we also added two more for the outdoor water stations as well.

**When the tents go up; we know the official camp season has begun...  
It will truly be a sight to see for sure!!!**

## CAMP W WELCOMES NICOLE DRISCOLL - New Jr. Girls Counselor

*Hi everyone! My name is Nicole and I will be one of the counselors at Camp W this summer. I've worked with kids for the last several years as both a Physical Education teacher and personal assistant. I love working with kids especially because as much as I can teach them, they teach me so much more. In my free time, I love binging on reality TV with my fiance and hanging out with my nephew. I'm so excited to meet all of your kids this summer and create some amazing memories :) Lets make this the best summer EVER!*
