

## Camp Song Lyrics by Cayla Werner

### Sung by Everyone

Are Colors are Red & Blue  
We Like to show them off to,  
Whatever you like to do,  
Do it at Camp W!

Come on down to Camp W,  
Come and learn a new skill or two,  
We've got sports and arts & crafts for you,  
Where Friendships are made!

Now we are all a team here,  
All of us together,  
Let me hear you scream this,  
Hip Hip Hooray!

Come on down to Camp W,  
Come and learn a new skill or two,  
We've got sports and arts & crafts for you,  
Where Friendships are made!
