I authorize Camp W to arrange for any and all medical care in case of an emergency. The medical staff or any third-party health care provided in its sole discretion has permission to disseminate pertinent information to the camp or its staff. If medication is to be administered at camp, the Medical Release Form must be completed. Camp reserves the right to dismiss a camper without refund of tuition if the parent or child does not abide by Camp W policies or procedures, or if camper conduct is determined to be detrimental to the well-being of campers or camp. I give permission for my child to leave camp grounds for field and athletic trips. I authorize my child to take part in any and all camp activities and for the use of my child's image in pictures or videos, to be featured in advertisements or on the Camp W website.

I understand that part of the camping experience involves activities and group interactions that may be new to my child, and that they come with uncertainties beyond what my child may be used to dealing with at home. Such risks include uneven terrain, standing and moving water, forested and other areas that may result in wildlife encounters including mammals, reptiles and insects that could result in infections and various insect-transmitted diseases. I am also aware that my child may participate in off-campus activities such as inter-camp athletics, swimming, bowling and miniature golf that involve additional risks. In addition, there are certain unavoidable risks associated with various games and play activities such as collisions, wayward objects such as balls and other equipment and other risks. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with these rules and will obey them.

I agree that any dispute concerning, relating, arising out of or referring to the subject matter of this contract shall be resolved exclusively by binding arbitration in New York, according to the then existing commercial rules of the American Arbitration Association and the substantive laws of that state. Any dispute submitted to arbitration under this clause must be heard by the arbitrator(s) in its entirety within one year of submission, who must render his or her decision within thirty days of the close of evidence.

The arbitrator and not any federal, state or local court or agency shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, conscionability, or formation of this contract, including but not limited to any claim that all of any part of this contract is void or violable.
