Where Friendships
Are Made!

August 10, 2018

Monday Fun-Day

Camp W is dedicated to fun and it really showed this Monday. We had some awesome activities! Older campers could do bungee jumping and fly high in the air while attached to a harness. Meanwhile younger campers could catch some air in the bouncy house. There was also

outdoor laser tag right in our camp field! For the entire camp we had a giant hungry hungry hippos game that was really popular.

Everyone got a chance to play some classic lawn games like bean bag toss and bocce ball. Then in the afternoon, campers got to go inside for a painting class. It was a great day at Camp W!

Water Olympics

This Tuesday at Camp W was the Water Olympics. We had so many different water activities and it was a hot day so everyone was happy to play in the water! There were plenty of water slides for everyone. Older kids

could go on the big inflatable slide that sent you down super-fast and kiddie camp had a mini slide just for them! There was also a slip n' slide that sprayed water from above, too. It was so cool! And if you didn't want to get too wet, you could play water dodgeball. If you hit the target, your friends would get water squirted in their face. If you thought you had a good arm, you could

dunk a counselor in the dunk tank. Watching the counselors fall in the water was really funny! There were also competitions for water balloon slingshots and water gun fights. Everybody had a great day splashing around and staying cool!

Camp W Talent Show

The Camp W Talent Show is such an exciting event at camp. On Wednesday morning everyone gathered in the cafeteria to watch both campers and staff show off their talents. There were so many great acts that I couldn't possibly pick my favorite. So I went around camp to see what some campers and counselors thought. Here are a few of their answers!

Jaya: My favorite acts were Maddy and Karlie. Maddy danced to the Timmy Turner Remix and Karlie danced to "Dear Future Husband." I liked them because they picked good songs and had good dances that were super energetic.

Anthony: I liked when Brody played piano with his feet. He played Charlie Brown which I like a lot. Playing with his feet made him different from everyone else.

Chloe: One of my favorites would probably be Landon and Alexis. I liked it because it was two siblings that were singing together on stage. One of them is in Middle Camp and one is in Kiddie Camp and they both got the courage to get up on stage. It was so cute!

Frankie: I think the one that I liked the best was...I don't know! They were all too good!

Special Lunch at Camp W

After a very successful and busy Wednesday morning at Camp W, Evan surprised everyone with a special lunch! There was penne with butter and with tomato sauce, rigatoni a la vodka, tortellini carbonara, tons of garlic bread, and brownies and cookies for dessert. Evan ordered the food from Suburban Eats and it was so delicious! Everybody was so full after lunch, but the food was too good we had to go back for seconds. Thank you Evan!!

Lasers Set to Blast

On Tuesday afternoon the Senior Boys and Senior Girls went on a trip to Laser Kingdom. Once there, they divided into teams and started on their mission. Campers were given harnesses and guns and sent into the dark laser arena. They had to quickly find their way around and use teamwork to take down the other

teams and emerge from the arena victorious. Each

team played three rounds and the competition was FIERCE. And while not everyone could win in the arena, every camper had a blast!

COLOR WAR

This year's theme:

MARVEL

VS

DC

Color War is one of the most exciting events we have at Camp W. Everybody at camp is on either the Red Team or the Blue Team and campers and staff compete in a huge variety of events. There's a tug of war, a game show, wiffle ball, tetherball, kickball, lawn games, potato sack races and tons of silly games. Each team must also decorate a room according to their theme, create a team song or cheer, and remember to keep up their team spirit and good sportsmanship through all of the events. Even when the competition gets intense we're having

tons of fun here at Camp W!

Staff Awards

Camp W wouldn't be the same without our awesome staff. We had campers vote for favorite counselors, specialists, and other staff awards. Check out who the campers picked for each award below!
