“What Parents Are Saying”

“Summer camp should be a place where memories are made, children are excited to go and parents can feel confident that their son or daughter is being well cared for. Camp W is all that and more. Thank you Evan and your wonderful staff for making our summers great!”

– Parents of Donny & Michael Chiappetta

“I am so pleased with my decision to send my son to Camp W. He looks forward to going to camp every morning and comes home happy every afternoon. There is a small camper to counselor ratio, so my son really gets that personalized attention that is lacking in the larger camp settings. Camp W also offers unique and fun-filled activities in a nurturing and caring environment. My son has proclaimed it to be “the best camp ever!” and I have to agree!”

“What Campers Are Saying”

“When I first came to Camp W, I was really excited to meet some new friends. By the end of the day, I became friends with all the campers in my group. My new friends and I enjoyed a lot of great activities. My favorite activity was dance. Our dance counselor was great and really nice. I was so sad to leave, but I knew I would come back next summer. The next summer I saw all my camp friends and met some new faces. The groups are bigger. This summer we added a softball field and a gaga pit. We also added cooking. One thing we made was watermelon waffles. We also have Waterslide Wednesday, which means every Wednesday, we have a waterslide! I love Camp W because of the staff, activities and my camp friends!”

“My name is Braydon. I am 9 years old. This is my first summer at Camp W and I am having the best time! There are choice periods where YOU get to pick a favorite activity. Some of my favorites are rocketry, camp newspaper, and fun with art. Also every Wednesday, we have a super awesome water slide, which is great on hot days. I love Pizza Thursday's and Friday BBQ! The counselors are also super nice. At the end of camp, you have lots of friends, because Camp W is where friendships are made.”

“What Staff Is Saying”

“I've worked in retail, theater, restaurants, auto mechanics, and camp. From all my work experience, I've learned that working with kids brings me the most joy. The dynamic at Camp W is simply phenomenal. It's only the second summer this camp has been open but you'd think it has been around for years. The way the campers and counselors get along on a day-to-day basis is like no other. I'm so glad to be a part of the Camp W Family!”

– Counselor Tristin Roefs

“I am so thankful that I wake up and go to Camp W every morning. It's not very often someone can say that about their place of employment, But Camp W is more than that. Camp W is family, plain and simple. Evan and his staff make you feel like you have known them your whole life. The campers here at Camp W and families are down to earth and so wonderful to interact with. I have really found a place where I can call home. I have so much FUN working with everyone here I don't want the summer to end. Evan has created an environment where the staff feels confident to shine and to really enjoy their work. I look forward to more summers ahead and to the day when my kids will be old enough to come to Camp W and see all that it has to offer.”
