Academic Tutoring

Camp W is proud to be offering academic tutoring. The Best of Both Worlds...Summer School and Camp all in one for campers ages 4-14. Camp W tutoring is a perfect option for that camper who needs summer school but still wants to experience the FUN activities at camp! Campers may choose tutoring in Math, Writing and Reading Comprehension. Academic tutoring is only offered during choice periods.

Groups

Your child will be in a group according to his/her grade level. The group will have a counselor (at least 21 years old) and a minimum of 1 assistant counselor. Groups will range from Pre-Kindergarten through 8th grade. Some groups may include multiple grade levels depending on grade enrollment and size. Example: 2nd grade and 3rd grade boys may be grouped together.

Choice Periods

Choice periods will take place directly after lunch during periods 5 and 6 for Middle Camp, Upper

Camp will have choice periods during periods 5, 6 and 7. Your child will have the opportunity to choose an activity from the choice period selection sheets during these periods. The selection sheet is can be completed and submitted through our website. Please have your child fill it out and a parent must sign it. Please return the choice period selection sheet ASAP as some activities have limited space. If your child would like to switch into a different activity, changes can be made during morning exercises only. Every two weeks your child will select new activities. The new activity sheets will be sent home a week before we switch for new classes and they will also be updated on our website.

Camp Show

Campers who select **Camp Show** for their choice period will perform in the Camp Show “Grease” on Wednesday, August 10th at 6:45pm. The dress rehearsal is Tuesday, August 9th at 1:00pm. If we do not have enough campers scheduled for the show then will have to cancel it.

Arriving at Camp

All campers must be at camp by 8:50am. This is so they will not miss Opening Exercises. If you drive your child to camp and know you will be late, please call the camp office. **Please do not drop off your child before 8:30am, unless your child is enrolled in our Early Care Program.

Late Arrivals

All campers arriving after 8:55 am must be signed in at the office by their parent. Please park on the left side of the parking lot. You will walk your child to the camp security table and they will escort you to the camp office.

Notes

All camp notes should be written on Camp W note paper. We would like written confirmation on everything. You may always call camp to see how your child is doing or if you have any questions, but we do prefer to have all notes in writing. These notes will be given to you during Camper Orientation on Sunday, June 26. If you are not able to attend the orientation then we will mail them home.

Swimming

Since swimming is the first activity in the morning, campers should come to camp in their bathing suits.

Campers will be swimming at the Dix Hills community pool located at 575 Vanderbilt Parkway in Dix Hills.

Campers will be bussed right after opening ceremonies; the ride will be approximately 8 minutes.

Campers will have swimming lessons by Red Cross certified instructors. Camp W staff will be on site supervising swimming as well. Your child's counselors will be with them the entire time.

Campers will get changed after swimming in the locker rooms located directly behind the pool. No other adults will be in the locker room, except for Camp W staff. We will then return to camp by 10:30am.

Code of Conduct for

Off Site Swimming and Trips

Bullying Policy

We expect Camp W staff members, parents and campers to support our Bullying Policy as described below:

- At Camp W bullying is inexcusable. Our Camp philosophy, affirms that each of our campers have the opportunity to experience a summer where they can make new friendships, and discover new talents free of judgment or negativity.
- As staff, we make a concerted effort to ensure that each of our campers enjoys an environment that promotes self-confidence, personal growth and great memories. Unfortunately, children who are bullied may not have the same potential to get the most out of their camp experience. Consequently, we not only maintain a strict policy forbidding bullying, but we train our staff to recognize incidents of bullying and provide them with a protocol at any point during their camp experience.
- Our staff addresses all bullying incidents seriously, and we encourage our staff to promote open communication within their groups, so that campers feel comfortable letting us know if there are any problems at any point during their camp experience.
- While we make every effort to establish communication with parents before taking any major disciplinary steps, it is important to note that fighting, demonstrating of disrespectful behavior, hitting, biting, bullying, harassing or

displaying destructive behavior are grounds for immediate suspension and possible dismissal from camp.

Drug Policy

Smoking or possession of any tobacco, alcohol or any controlled substance is not allowed by staff or campers. Any camper or staff member violating this policy will be dismissed from camp immediately. There will be no tuition reimbursement if a camper violates this policy.

IRS Summer Tax Tip

IRS Explains: Parents Can Get Tax Credit for Sending Kids to Day Camp

Here's a tax break for the busy summer. Many working parents must arrange for care of their children under 13 years of age during the school vacation period. A popular solution – with a tax benefit – is a day camp program.

The cost of day camp can count as an expense towards the child and dependent care credit. Expenses for overnight camps do not qualify. If your child care provider is a sitter at your home or a daycare facility outside the home, you'll get some tax benefit if you qualify for the credit.

The credit is generally 20% to 35% of non-reimbursed expenses; up to \$3000 in expenses for one child and up to \$6000 for two or more children. The actual credit is also based on your income. The

35% rate applies if your income is under \$15,000; the 20% rate, if your income is over \$43,000.

For more information, check out IRS Publication 503, Child and Dependent Care Expenses available on the IRS Web site, IRS.gov or by calling 800-TAX-FORM (800-829-3676).

Remember that for the genuine IRS Website, be sure to use .gov. Don't be confused by internet sites that end in .com, .net, .org or other designations instead of .gov. The address of the official IRS governmental web site is www.irs.gov.
