All about Debbie!!

By: **Amaya P.** and **Danielle Ortiz**

We decided to ask Debbie a few questions about what she does and what she likes about working here? Keep reading to find out more about Debbie!!

1. **Where are you during the day?** I am always walking around checking into make sure everyone is safe and having a great time in camp.

2. **Why do you work at a camp?** I work at camp because I love seeing the smiles on the kids' faces and planning a fun summer!

3. **What do you like most about working here?** I love all the campers & their families

4. **When you were a kid, did you go to camp too?** I've been at camps all my life. I've done day camp and sleep away camp.

5. **What job do you have during the school year?** During the school year I work at the Camp W winter office.

ALL ABOUT NON SWIM By **Maddy Crocco** and **Isabella Libardi**

In non-swim there are so many fun activities including connect four, GaGa, Newcomb, UNO, drawing, tether ball, wiffle ball, and more. We get to hang out with our favorite counselors and our friends. We also do each other's hair for fun and do string. Non-swim is where all the campers who don't swim stay back at camp and have a blast. Izzy and I love to go to game room and play air hockey. Also we go to the water station a lot because it starts to get super-hot in the morning and we need to stay hydrated. Over all, we love non swim and can't wait to do it again next year.

INTERVIEW WITH KEVIN

My favorite

part of non-swim is to see all the campers doing their favorite activities! They can do basketball, gaga ball, wiffle ball, Newcomb, tether ball, art at the tent, and table games! Everyone is busy and having fun!

Q2) What is your least favorite part about non-swim?

When I see all the campers frown as they know non swim is coming to an end.

Q3) Who is your favorite counselor in non-swim?

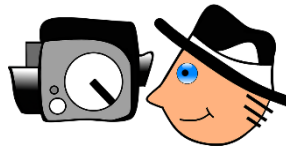

I don't have 1 favorite! I love all of them because they do such a great job supervising and making sure all the campers are having a great time! Ryan excels at keeping wiffle ball fast paced, and fun! Pat keeps Newcomb exciting as he gives campers so many challenges! Jules and Sam run GaGa and basketball and all I can say is they are creating athletes! Peter hosts an intense Connect 4 tournament, while the rest of the campers queue up for Jillian, Brianna, and Giuliana's Hair salon at the tent!

Q4) What is your favorite sport in non-swim?

Newcomb because I'm always invited to play a round as I am walking around and supervising.

Newscasters

By Braydon Cohen

When you pick your choice period and look at period 7, you can find a really fun choice period. That choice period is Newscasters! Read more to find out about that amazing choice period!

You can only choose Newscasters 7th period. Newscasters is where you go around camp to find staff and campers to interview. The fun thing is that you can ask any questions you want. For example, when you interview a staff member of camper, you can ask what their favorite food is or what their hobby is. But you can also ask camp related questions, like what their favorite thing to do at camp is. Or when they started Camp W.

Joe, the Junior Boys counselor, and Jenny, the Junior Girls counselor are the two counselors in charge of Newscasters. The other person in charge of Newscaster is Stephanie, the camp photographer.

Toward the end of camp, newscasters is in charge of an "end of the year video". The end of the year video is where a few campers in newscasters ask two questions to EVERY staff member at Camp W. There's also an introduction of the video where it introduces the authors of the video. When the video is done, it turns into a DVD and sent to every camper. It also helps more people come to Camp W. In conclusion, newscasters is really fun and I hope you sign up for it soon!

DJ Foam Party

By Taylor Kasny, Junior Girls

On July 30th a special event that happened at the end of the day was the DJ Foam Party. It is one of my favorite events that take place during the summer because I love to listen to music and dance. The dance party took place in the cafeteria and the DJ played very cool songs like "Can't stop the Feeling" by Justin Timberlake and "Shake it off" by Taylor Swift.

Campers had a lot of fun singing and dancing with their friends and counselors.

THE TRIP TO THE ESCAPE ROOM

By Jack Delman, Senior Boys B

On July 25th, the senior boys and girls went on a trip to Puzzle Break, which is pretty much like a escape room building! Basically, we had an hour to escape the room. We had to find clues to finally find the key and get out of the room! There were many different

types of rooms you could go in, such as the Carnival and the Submarine! Two groups

went into the puzzle break at a time and the other two groups went to the game room and were able to play Super Smash Bros Brawl on the Original Wii or play board games! Delicious pizza was served for lunch, which was a great treat! It was really fun going through the puzzle, and everyone started freaking out when we found a clue that contributed a lot! Some clue s included, turning off the lights, and unexpectedly, the lights sometimes displayed different shapes! Puzzle Break was really fun, and I hope to go again!

Game Room

By Robert Schreiber

My favorite part about Camp W is the game room. I like the game room because I love playing Fortnite on the Xbox. I also like playing dig dug 2 with my friend Colin in the arcade. I recommend Camp W because playing games in the game room is just one of the amazing activities that Camp W offers. I love Camp W!

Back to School Jokes

How do bees go to school?

Ride the buzz.

Why did the computer squeak?

Someone stepped on its mouse.

What is white when dirty and black is clean?

A blackboard

What types of test does witches take?

A Spell-ing test.

Why was the math book sad?

It has so many problems.

Getting Crafty with Kristin

By Maddy Crocco

One of my favorite choice periods this summer was art with Kristin. I really enjoyed art because we made a lot of different projects that I found to be really interesting, easy, and fun. One of my favorite projects was beaded bracelets

because there were so many different beads to choose from. I also liked that you were able to keep the bracelet that you made and can wear it with a cute outfit. Since I loved art so much with Kristin, I wanted to get to know her a little better. Read below to learn more about Camp W's loved art teacher

Question One: What is your favorite project to make with campers? Why?

Answer: It depends on the age group, but I love making the plaster glitter bowls that we made last week. They are really messy, but they come out really beautiful.

Question Two: When did you start working at camp W? How did you find out about the camp?

I am always looking for creative jobs and was sent the job listing through a website. I was interviewed by Debbie and Evan last year. This is my second summer at the camp.

Question Three: Have you always been an artist? When did you start making art?

I have been creating art since I was four. We moved around a lot when I was a kid, so I taught myself how to draw to entertain myself. I started lessons later on and went to college and graduate school for art as well.

Question Four: Who is your favorite artist?

Louise Bourgeois, who is a sculptor. I like her because she had a family and became famous in her sixties.

Question Five: If you could be in any other position at Camp W besides the art teacher, what position would you want to be?

I would like to teach fitness because I used to teach kick-boxing, but I also like ceramics.
