New Activities for 2021

The summer of 2021 is a year away but planning has already begun to make next summer an amazing experience for every camper. Everyone knows about the Virtual Reality Room and Nerf Battlefield but there is more new activities and events coming. We will have a Media Room for podcasting, camp newspaper, How to DJ, and Newscasters. We will have a Rock band in the Music Room. We also have added a 3rd day to Color War. Senior campers will now have their own Senior Sleepover. These activities will be discussed in greater detail in upcoming monthly newsletters.

There is something special for everyone at Camp W...This summer we will be enjoying extra time with our 2nd/3rd grade campers. They will stay after the regular day is over and participate in special evening activities designed just for their Late Night. Be our guest as the evening concludes with a family dinner hosted by Camp W. It is sure to be one of the most memorable nights of the summer!!!

It's never too early to start planning for the summer. Tell your friends about our First Open House scheduled for Saturday, February 10th from 2:00-4:00 at Camp. Fun activities for the Family...
