Human Fusball is coming to Camp W. We are currently building a twenty-five foot human fusball court. Campers will be holding onto a large plastic bar that stretches across the field while trying to kick a ball into the goal.

The Vendor Room is just that, a room for different professional vendors who come to camp to teach certain skills. Magic, STEM, Balloon Making, and, Sand Art are the activities in this room. FUN ,FUN, FUN

Camp Lounge will now have Pop a Shot, Fusball, Ping Pong, Shuffleboard, dual Dart Boards, Air Hockey to go along with three tv's and wireless headphones. This room has so many different activities to choose from. The fun is endless at the Camp W Lounge.
