

Camp W Newsletter

December 2020

The Vendor Room is where each day a different professional vendor will be running an activity. Monday, Magic will be taught by Ivan the Magnificent, Tuesday will be face painting and sand art, Wednesday will be Balloon Making and Thursday and Friday will be STEM activities.

The entire sports fields at camp will now be surrounded by a blue and red wooden fence that is decorated with different camp activities. This fence will add more color and decor to our camp fields.

December 15, 2020
2021 Camp W Calendar should be delivered

December 31, 2020
The \$650 Refer a Friend changes to \$500

January 15, 2021
The January Newsletter will go out

Outdoor Remote Control Cars is a new activity for the summer of 2021. Campers will be able to control cars that are a foot long and designed to be used on grass. Campers will control the cars with a remote standing a few feet from the outdoor track. The track will have cones and plastic bars to keep the cars from going off the track. Six cars will run at a time. Campers that are not participating will be inside using the indoor remote control cars.

Water Village will be getting two new units for campers to enjoy. A triangular water spray is being built for campers to run through or crawl and get sprayed with water. The second new piece is a bucket dump that campers can run under and get soaking wet and enjoy.
