January 2021

WHAT'S NEW

Nine square is a game similar to volleyball and four square. Nine campers will each be standing in a spot like tic tac toe. The camper in the middle spot will throw the ball up and the object is to not let the ball drop in your square. This activity will be played near the volleyball

Court. Campers that are not involved in 9 square can play tether ball or crossnet while waiting. This activity will keep the campers active and they will never be sitting around waiting to get in the game

UPCOMING EVENTS

January 30, 2021

Parents should send us pictures of their child with their 2021 Camp W calendar. They can post on Facebook or just send the pictures via email to info@campwdaycamp.com

February 27, 2021

Camp W Open House!!!!!!!!!!!!!!

New Tent for Camp

Camp W has new 40 foot by 30 foot blue and red tent. This tent will be used for Lawn Games.

Campers can now play Cornhole, Frisbee Throw, Bocce Ball, Horse Shoes, Ring Toss and other games under the tent protected from the sun. We

now have four blue and red tents outside. Three of the tents will be used for our lunch and snack program. This will allow us to spread out the picnic tables more so groups will have more space between each table. The new

Tent will be parallel with the other tents but be separated by about fifty feet. The new tent will give us more outdoor shade for campers and we can also run an activity under the tent instead of the activity being inside.
