Waldo Pictures

Camp W is using a new platform to upload daily pictures of campers onto our website. Now with facial recognition parents will receive a text message of any pictures that their child is in that gets uploaded to our website. No more

having to scroll through 150 pictures to find your child. This will be a game changer and we are sure parents will love it. Camp W will be sending more information about this service in the coming months.

Parent Handbook 2021

The Parent Handbook will be completed next month and available to view on our website by April 15. We will send an email to remind you. This handbook will also be in the camper orientation packet
