next year ASAP! Camp W, we add a week 9 next year. Week 9 will be just like week 8, a trip week, but smaller. There is a 100 camper maximum, so get a spot while you can! We hope to see new and old faces next summer too!

## Disco Day

By: Riley Uvena

Tuesday July 20th, 2021 was Disco Day! This means that counselors and campers dressed up like they are dancing under a disco ball! While walking around

camp, we saw a lot of sequins and neon clothing! There were so many cool disco outfits! Someone was wearing an afro, another was an actual disco ball and a counselor was even wearing neon pink leg warmers! It was so much fun walking around and spotting out all of the cool disco outfits!

# Camp Advertisement Skit

By Angelina Parente

This week, campers and their groups are putting their heads together to come up with a skit advertising Camp W.

They will make parodies of existing commercials, take inspiration from them,

or come up with something completely original. Campers will have a blast acting and finding creative, funny, and exciting ways to show others why they should return to Camp W. I can't wait to see what the groups have in store for their skit, it will for sure be fun to see!

# Splish Splash

All of the senior girls and boys are very excited for the Week 4 trip. We have had so much fun on all of the past weeks trips, that we expect this week to be no

different! This week we are going to Splish Splash.

Everyone is going to have so much fun!

Splish Splash has many fun activities such as waterslides, a wave pool, a lazy river, pools, and kiddie rides. We

am so excited to try them all out! I'm sure everyone will want to go back, because they are going to love it!

Q: Do you have a favorite type of horse?

A: I like brown horses!

Q: Did you enjoy horse riding 2 years ago?

A: I loved horse riding at camp!

Q: If you could own a horse what would you name it?

A: If I could own a horse I would name it Brownie

and I would keep it in my backyard!

## Counselor Dating Game

By: Kate

This week at Camp W, all of our single counselors got a chance to meet their match at our Counselor Dating Game. It was hosted by Kristen, pictured to the right. Our bachelorette was Megan, who asked her bachelors where they would take her on their first date in Camp W. There were many great responses,

but the one that caught her eye was the picnic tables, so they can enjoy some food. Robby, the Whaler's head counselor, was the lucky bachelor! Our bachelor was Erik, who told the audience that he was looking for a bachelorette that could rap! Bachelorette number 2's performance blew him away. Brianna, the senior girls assistant counselor was the lucky winner. It was so much fun to watch the counselors compete.

## Color Run

By: Emma

This Thursday at Camp W, campers will get to experience the ultimate "Color Run"! The kids will run around the field while having bright, bold colors thrown at them. All of the campers are looking forward to it. Some campers have decided to make a game out of it, by

whoever can get the most color thrown at them, wins!

Some have decided that they will try to run towards certain colors and away from other colors. The weather will be bright and sunny, perfect for a fun event like this! We are all super excited to be covered in colors!
