## Dancing With The Stars

By: Alexis Lucas

The “Dancing With The Stars” contest this year was very funny! All of the contestants had hilarious costumes and dances. Everyone's dances were so creative! There

were 10 teams competing, and all of them were amazing. They had a lot

of energy and had a very fun time! The team that won was Tom (from Senior Boys) and Nicole's (from first grade boys Wolverines) team. They danced to the song, “Dance to the Music”, and their dance was awesome. “Dancing With The Stars” was so fun and exciting to watch.

## S'mores Snack Day

By: Chloe Pezzello

On Thursday, instead of ice cream and popsicles we are having s'mores for snack. I'm so excited because I love eating s'mores with my friends, so it's gonna be a blast to

get to have them at camp. I love chocolate, which is my favorite part of the s'mores. Did you know that the original name for s'mores was “some mores”. Another fun fact is that August 10th is national s'mores day, so remember to make some s'mores on August 10th! I can't wait for snack!

## Dress Up for the Future Day

By: Angelina Parente

On this week's spirit day at Camp W, campers showed off their costumes of what they want to be when they are older. They expressed their future dreams and goals as they found creative ways to dress up. They

wore their favorite sports jerseys, put on doctor scrubs, wore an olympian outfit, and more. Some were artists, police officers, firefighters, and teachers. Kevin even rode around on a unicycle. Everyone had fun looking into the future and seeing each other's hopes and dreams!

## Senior Trip Brownstone

By: Chandni Oberoi

The Seniors are so excited for our Brownstone trip! Chloe Pezzello, a Senior Girl says "I'm so excited to float down the lake!" We are also very enthusiastic about the three hour road trip to Connecticut. Brownstone Sports park is in Portland,

Connecticut. At Brownstone the Seniors will be enjoying various activities, such as ziplining, obstacle courses and diving! We are going to have a blast!

# What Will Happen Next Week?

By: Madison Castagna

What is Color War?

Answer: The camp is split into two teams which change yearly and there is always a theme. There are also activities to do in which campers and counselors can gain points for their team.

In your opinion, what is the best thing about Color War?

Answer: "Competing to help my team and dressing up", Chloe from senior girls said when asked about her favorite thing about Color War.

How are the teams decided?

Answer: The counselors split up their group into red and blue groups, but don't worry siblings are always on the same team to prevent family feuds.

Does anything else besides Color War happen that week?

Answer: The answer is yes, not only is there Color War next week, but on Monday and Tuesday there are special events open to all of the camp!

What were some of the special events in the previous years?

Answer: There were many activities from the special events two years ago, that included a trampoline, a rock climbing wall and laser tag. This year there might be a zipline!

# Tie Dye

By: Emma

On Thursday and Friday this week, we will be tie dyeing shirts, towels, socks, and more! Campers will be provided with all the materials needed for the project. Each group will have their own period to tie dye. Kristin, Emma, Shannon, and Emily (the art teachers) will show everyone how to do it. Campers are welcome to bring anything they would like to tie dye. We look forward to this day every year. So far, everything has turned out beautiful. We are so excited!

# Camp Trivia Game

By: Kate

On Tuesday, campers' knowledge of camp was tested. There were three different trivias being held at the same time, with Kevin running the trivia for upper camp. They were asked questions that ranged from "What color is Kevin's grey car?" to "Who is the bus counselor on bus 4?" Campers received either Jolly Ranchers or Starbursts if they

got the question correct. It was so much fun to see how much campers really knew about camp!

# Sr. Girls Drawing Corner
