Monday Special Events

By: Madison Castagna

Monday, August 9th 2021, was a very special day for Camp W Campers. On Monday, there were multiple exciting activities open to campers! One of these activities was zip lining..

Another fantastic activity was bungee jumping! That was really fun for many campers to go on and see how high

they could jump, or how many flips they could do. Another wonderful activity was rock climbing. Rock climbing was an amazing experience to see how high everyone could get climbing a wall and supporting yourself up with nothing but plastic little rocks that are difficult to grab. The Foam Pit, Laser Tag, bounce houses, carnival games and a huge blow up obstacle course were other fun activities that campers got to enjoy on Monday, August 9th..

Camper Talent Show

By: Alexis Lucas

Campers were able to display their talents during the camper

talent show! Upper Camp and 4th grade went first. They did things like dancing, singing, and

comedy.. WSe have so many talented campers at Camp W..

Water Carnival

By: Emma

This Tuesday was the annual Camp W Water Carnival! Almost the whole camp yard was filled with fun water related activities like water slides, slip-n-slides, water games, and much more. Each group had half a day to run around the yard and try whatever water activity they wanted.

Everyone's favorite was the red waterslide, which was 40 feet tall. You could see the roof of the building from the top! The slip-n-slide was another enjoyable ride. Some campers ran so fast that they were able to jump on and make it to the end! There was an ice bucket challenge and a wet T-shirt race too. The whole day was so much fun!

Color War

By: Angelina Parente

The time has come at Camp W for the entire camp to be split into two groups, red and blue. They will compete against each other in numerous fun and challenging activities. These activities will test many different skills and abilities. The ultimate goal will be to collect the most points. This summer groups will

compete in gaga ball, distance jumping, dancing, Skittle separation, trivia, and many, other activities. Everyone is looking forward to having fun working together to beat the other team. Only the best team will win.
